

The Angel of the Moon

My coming has been predicted both in the East and West.

I now do not proclaim to be anything, only history will judge whether the prophets and puranas were true after my death.

But I am here to Destroy the Filth and I am dead sure that Brahman will help me fulfill the prophecy of the advent of the Satyuga.

Only time will tell whether I am right or not.

The name of the Angel of the Moon is **Diane**, a French variant of the Vedic ध्याना Dhyana or **Dhyan** which is my birth name.
