

The Pompous Prick

The Pompous Prick ☐ is the supreme embodiment of Kuly.

The demon ☐☐☐ (culy), not the Goddess ☐☐☐☐ (Kali).

He has all the vices and has earned his wealth only from the abodes of Kuly (the demon ☐☐☐, not the Goddess ☐☐☐☐).

Gambling	Gold (Money)
Characterless Women	Meat and Alcohol

The USA is the embodiment of the demon ☐☐☐ (Kuly), and that is why they probably are the only nation in the history of the world, that willingly elected the Pompous Prick ☐ as its supreme leader, despite his immense flaws.

They did it solely because he claimed he was a billionaire, and would make the people of the USA also as wealthy as him.

It was written in many texts of the Sanathan Dharma more than three millenniums ago when the Jews were still slaves in Egypt and Jesus and Mohammed were not even born:

- In the end days of the Kaliyuga, men will only be measured by the content of their wealth, not the content of their character.
- In the end days of the Kaliyuga, the demon ☐☐☐ (Kuly) himself will rule in person.

The Pompous Prick ☐ will cause the end of FUKUS and its despicable systems – the “wonder” of FUKUS “democracy” and FUKUS “capitalism”.

All presidents since the advent of Slick Willie, including Dumbass Dubya and Obummer were avatars of the demon ☐☐☐ (Kuly).

They only brought death and destruction to the rest of the world, but kept USA and the rest of FUKUS safe.

But the Pompous Prick ☐ is the supreme embodiment of the demon Kali ☐☐☐ (Kuly).

He will bring death and destruction to the whole world except Bharat.

He will bring the most death and destruction to the USA the embodiment of all that is the demon Kali ☐☐☐ (Kuly).

Since March 12, 2003 to March end, 2009, I fought alone against Dumbass Dubya and Obummer and it only brought me great misery, abduction, rape and physical and mental abuse.

Not by terrorists and gangsters, but by the terrorist governments of Dumbass Dubya and Obummer themselves.

Now I will leave Rudra to fight my wars against FUKUS, especially the USA.

I am the man of word.

Rudra is the man of sword.

Rudra will set an example of FUKUS, especially the USA to show what happens to those who silence the man of word.

When you silence the man of word, you will then face the man of sword.

Chapter 11, verse 32 of the Bhagavad Gita.

ri-bhagavan uvaca:
kalo 'smi loka-ksaya-krt pravrdhho
lokan samahartum iha pravrttah /
rte 'pi tvam na bhavisyanti sarve
ye 'vasthitah pratyanikesu yodhah //

“Time [death] am I, the destroyer of the worlds, who has come to destroy everyone.

By my will, even without your taking part,

All those arrayed in the opposing armies (Wall/Dalal Street

Pimps, Representative DFIs, Middlemen of God, Fools and Wicked) will be slain and cease to be.”.

In addition to being the “Destroyer of Worlds”, the Bhagavad Gita also says:

“I am also the Source of All Things to Be.”

The prophecy of the advent of the Satyuga.
