I have created a book and Ebook in easily readable formats containing the main underlying concepts found on this website.

A publication on the Arya Dharma (Noble Dharma) – A better way of living, spirituality, well being, government, finance, economics, law and democracy by going back to the future.

Bharata has the greatest history, heritage and culture ever possessed by any civilization in the history of the Universe.

It is a real shame of what we have become today because we blindly try to ape and emulate the fraud FUKUS (France, UK, USA) systems which are totally unsuitable not only to us, but to any country on this planet, and especially harmful to Nature, the supreme embodiment of Brahman (God).

It really makes you wonder about the state of this world, when the priceless Amazon rain forest is valued at \$20 million, and the Amazon online shopping website is valued at almost a trillion dollars.

It really makes you wonder about the state of this world, when the top 1% possesses more than 47% percent of the global wealth, while the bottom half still worries about scrounging for their next meal.

If Bharat must have any hope of restoring its past glory, it must abandon all the fraud FUKUS systems which place only money and self-interest as their guiding principle, over Dharma and SEVA (Selfless Sacrifice), which were our eternal guiding principles that were laid down ever since Ram Rajya.

Dharma and SEVA were the guiding principles of the Golden Era of Bharat, when we surpassed even the Roman, Greek and Persian empires and even made a world conqueror like Alexander retreat in fearful haste without even daring to fight us.

They are available at the following websites.
