## **LETTER FROM AUTHOR**

From:

Dhyan BA (Bollachettira Dhyan Appachu),

Author: Arya Dharma and [www.aryadharmaworld.com](http://www.aryadharmaworld.com)

Author: The Art and Science of Real Wealth

Founder: Shambhala Samathvam Private Limited

**Dear Friend,**

I have created a book and Ebook below in easily readable formats containing the main underlying concepts found on this website.

A publication on the Arya Dharma (Noble Dharma) – A better way by a unique combination of our heritage, spirituality and current affairs by going back to the future and restoring the glory of Bharat(India) by returning to its ideals of Dharma and Seva.

My book applies not only to Bharat, but to the entire world.

**Reader reviews regarding my book is given here.**

Bharata has the greatest history, heritage and culture ever possessed by any civilization in the history of the Universe.

It is a real shame of what we have become today because we blindly try to ape and emulate the fraud FUKUS (France, UK, USA) systems of “casino capitalism” and “paid democracy” which are totally unsuitable not only to us, but to any country on this planet, and especially harmful to Nature, the supreme embodiment of Brahman (God).

It really makes you wonder about the state of this world, when the priceless Amazon rain forest is valued at only \$20 million, and the Amazon online shopping website is valued at

almost a trillion dollars.

It really makes you wonder about the state of this world, when the top 1% possesses more than 47% percent of the global wealth, while the bottom half still worries about scrounging for their next meal.

If Bharat must have any hope of restoring its past glory, it must abandon the fraud FUKUS systems which place only money and self-interest as their guiding principle, and return to Dharma and SEVA (Selfless Sacrifice) which were our eternal guiding principles that were laid down ever since Ram Rajya.

Dharma and SEVA were the guiding principles of the Golden Era of Bharat, when we surpassed even the Roman, Greek and Persian empires and even made a world conqueror like Alexander retreat in fearful haste without even daring to fight us.

If the systems mentioned in this publication are adopted in the world, it would surely lead to a Utopian Society where there is no king, religion, greed and selfishness and all the subjects would be governing themselves following the highest order of Dharma called Arya Dharma (The Noble Dharma).

**Key words:**

Arya Dharma, better democracy, better living, better government, better laws, better economics, better economy, better finance, better health, wellbeing, yoga, meditation, India, Sanathan Dharma, Hinduism

Also please circulate my blog [www.aryadharma.world](http://www.aryadharma.world) among your friends in social media and whatasapp and also by word of mouth.

There is a free ebook on this page for those who cannot afford my book.

The work on my book and blog come totally from my heart and my god given gifts of instincts, vision and foresight which are not affected by attachment and ego.

I started to write in 2006, and as you can see a lot of what I have written is already coming true in this year 2020 with the collapse of the worldwide economy into a depression unparalleled in the history of the modern world since the advent of the so called "wonder" of the FUKUS (France, **UK**, **USA**) style trickle down casino capitalism and hidden crony capitalist elite media manipulated "democracy" systems.

After peak misery in 2023, people worldwide will be looking for a way out, and with the **blessings of God (Brahman)** and the **support of friends like you**, I have the confidence that the work you are reading will inspire the entire world for a better way by going back to the future and returning to the ideals of Dharma, SEVA and love and respect of Nature, and the ultimate embodiment of Brahman.

Nothing I have predicted is my great genius alone.

It is also apparent for millenniums, to millions of people like me who do not place self-interest and making money as their prime goal in life.

These millions of people realise that unconditional love and devotion of all of Brahman's creation, non-attachment to this material world, Dharma and SEVA (selfless sacrifice) to all beings in this world are alone the keys to Happiness.

MK Gandhi saw this, Swami Vivekananda and Tagore saw this in the early 1900s, and our ancestors saw this more than 10000 years ago when we had real Ram Rajya because they practiced the above under the living example of Lord Ram who sacrificed his own wife and unborn children for the sake of Dharma.

Once a disciple walked up to the Sakyamuni (Gauthama Buddha) and said:

**I want Happiness.**

The Sakyamuni said:

**Drop the "I" and the "Want" and all you are left with is "Happiness".**

The "I" is Ego. The "Want" is selfish desire, instead of selfless action of SEVA (Selfless Sacrifice).

The main key to Happiness is to do everything without expectations and without ego.

Apply this golden rule to every facet of your life and you will immediately drop the heavy baggage of expectations and all the associated disappointment that comes with it when your expectations are not met or when your ego is hurt.

**Thanks again for your support.**

**I hope you understand the true goal of my work, and it changes your life and you find Real Wealth and Real Happiness and tell others also how to find it.**
